PREVEDLA ĐURĐA STRSOGLAVEC

to je strašna knjiga
kdor pogumen je – stoj!
drugi naprej
ti se kar boj

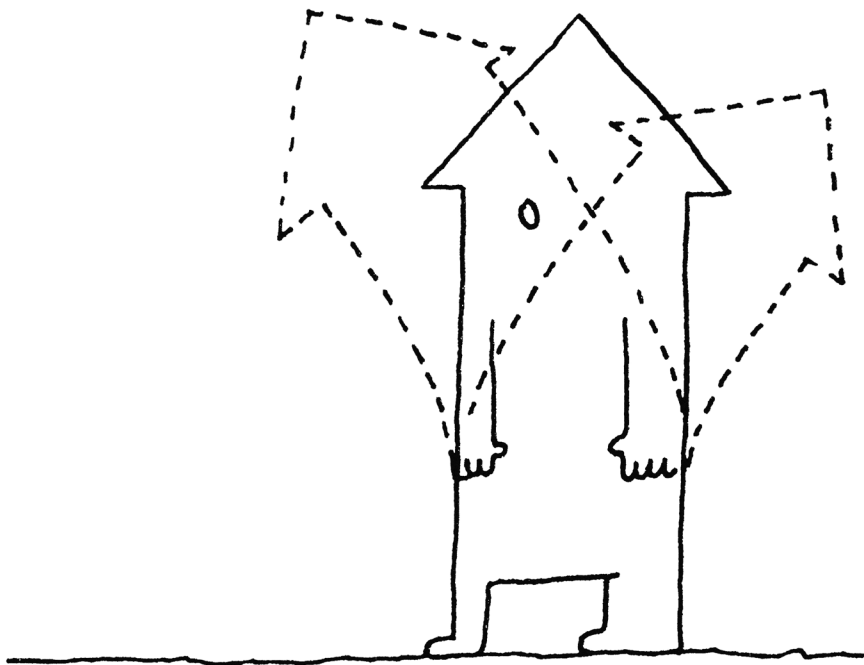

SAMO

SPOZNAVANJE

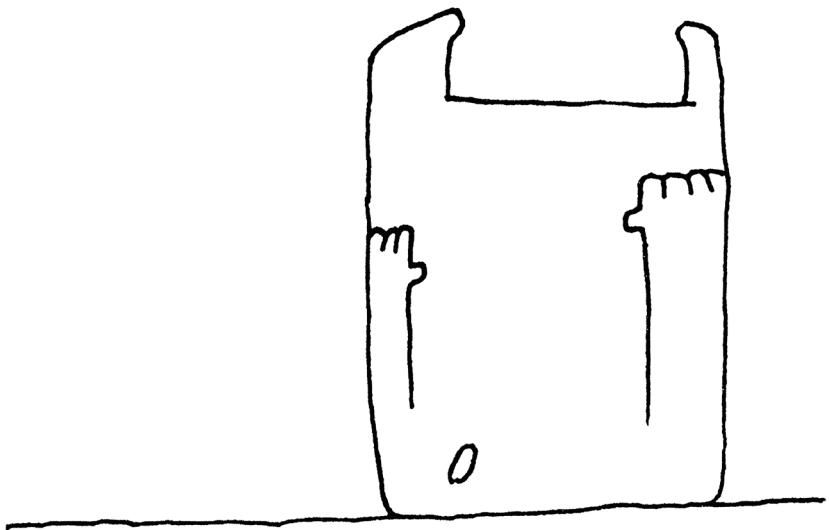

stabilno stanje

sem
stabilno
labilno

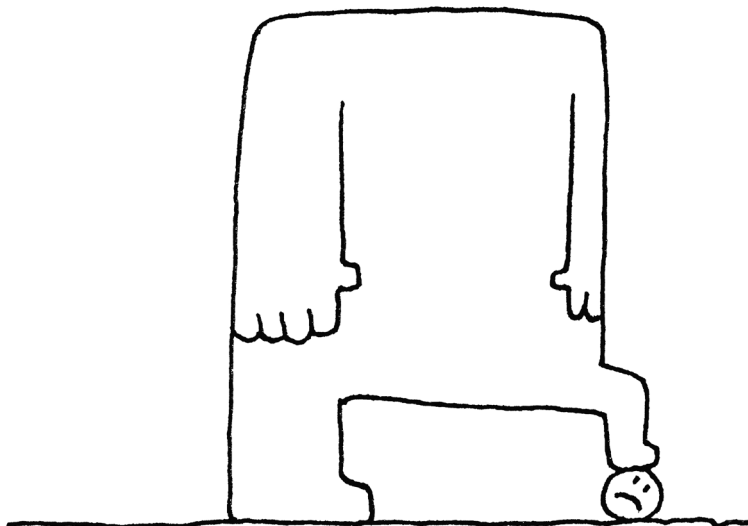

kaj vem o sebi

vem česa ne bi

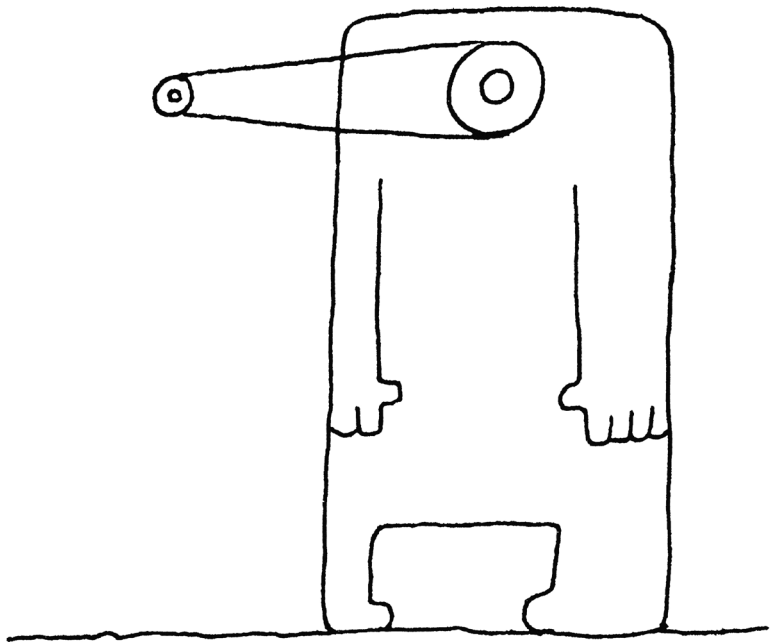

samonadzor

kadar imam samonadzor
ali to pomeni
da nimam nič več?

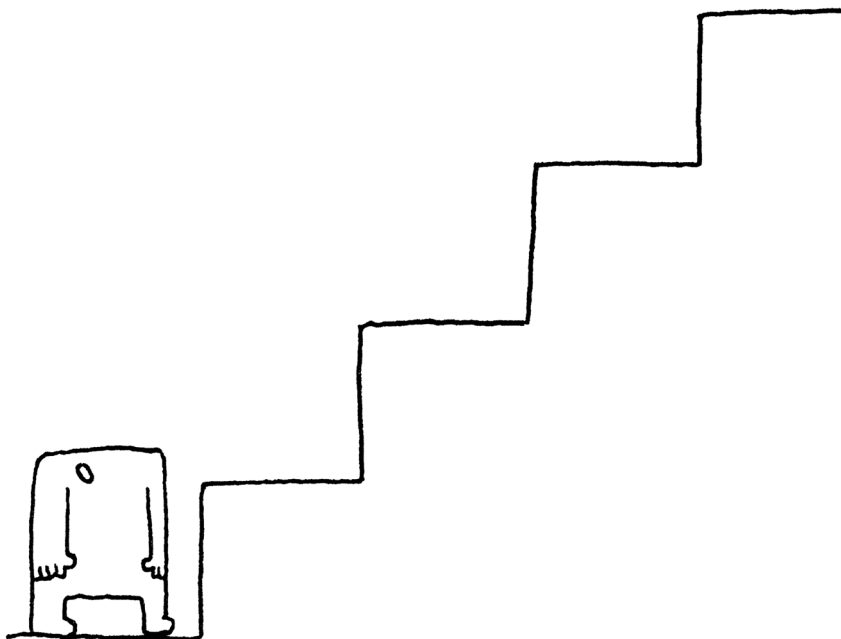

ne(je)volja

želim si da bi mi bilo bolje
vendar nimam volje

marljivost

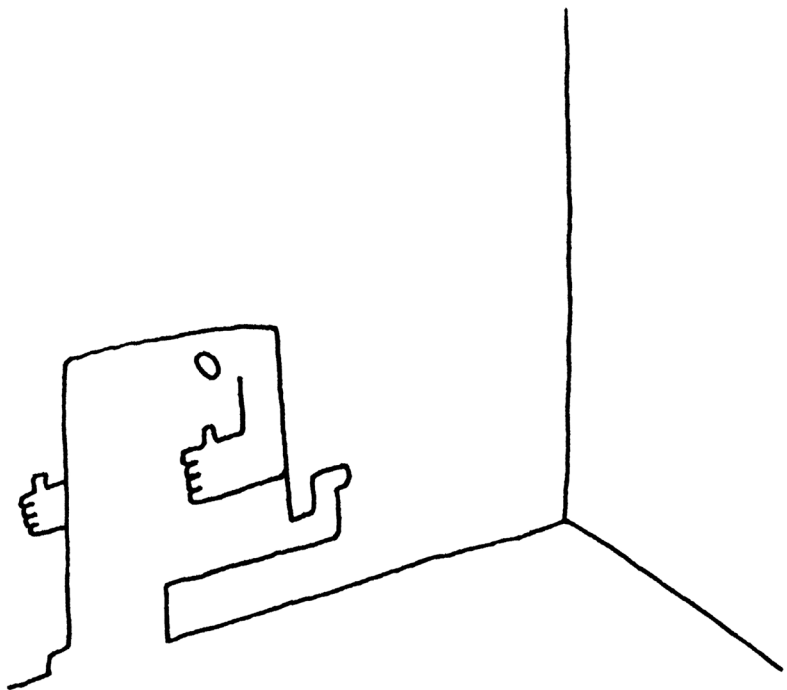

zame je mora
če se mora

slepa ulica

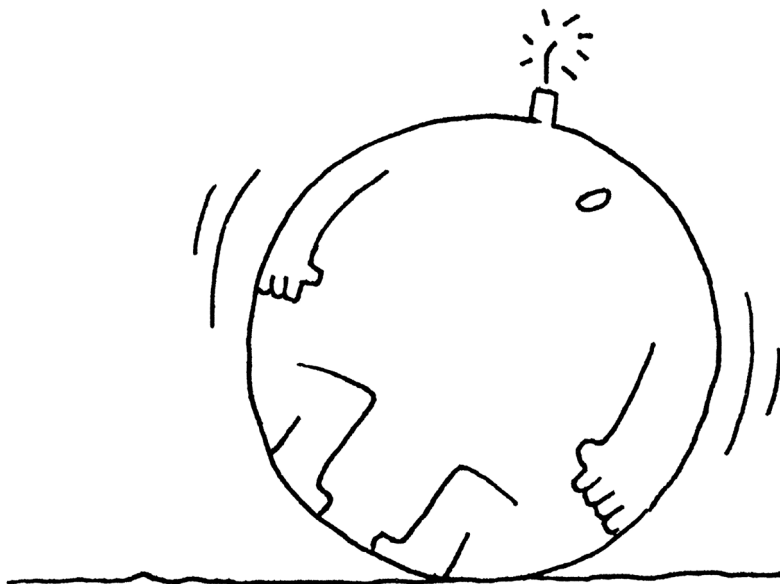

kot?

ko ti življenje napove bojkot!

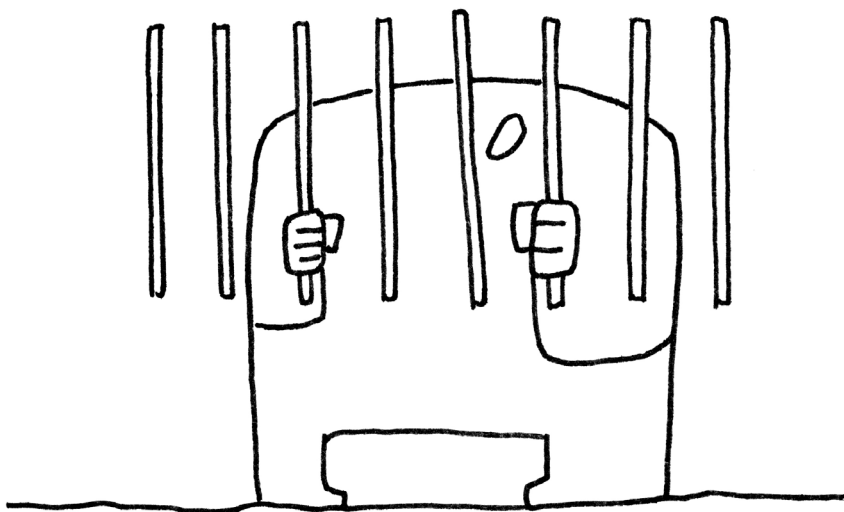

bum!

jaz sem živa eksploziva!

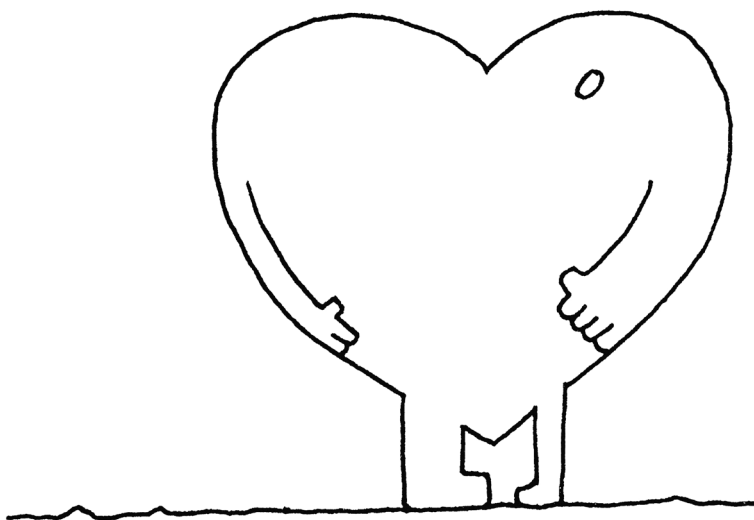

čuvaj svobode

kaj sem storil?
samega sebe sem ogradil

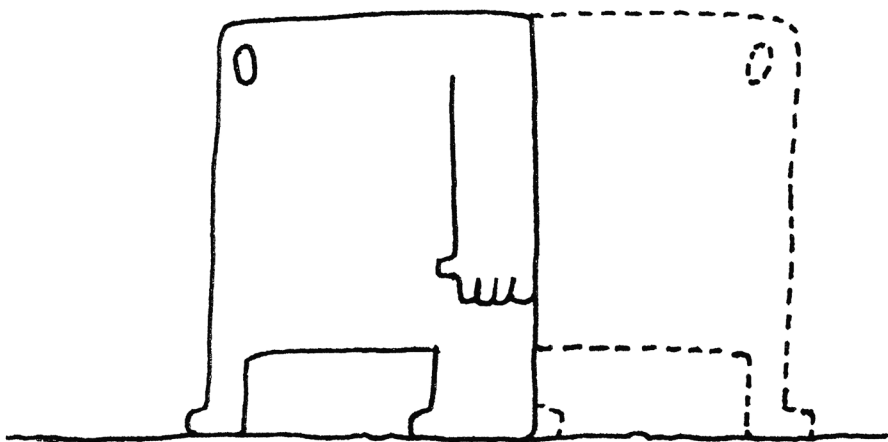

neuslišana ljubezen

duša ljubi telo

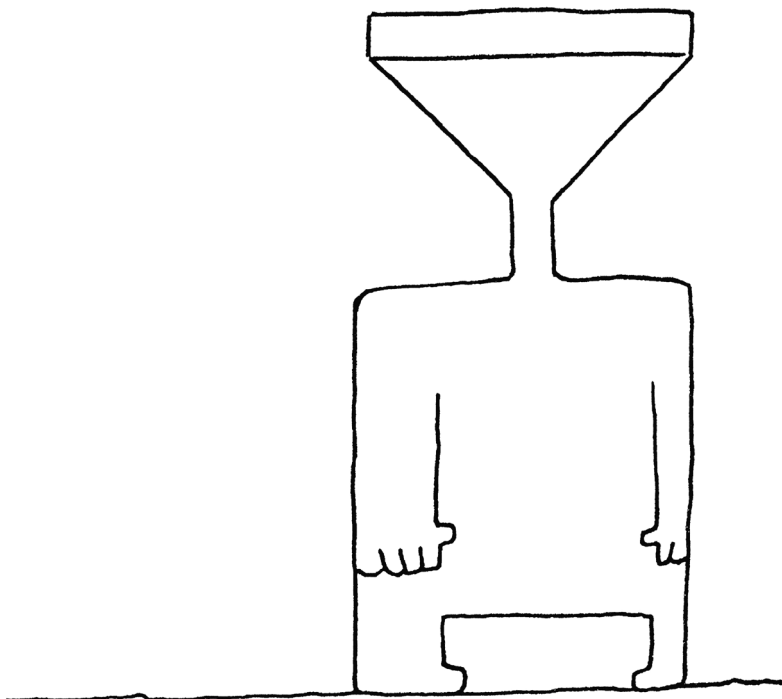

telo in duša

tu nihče nikogar ne poslušā

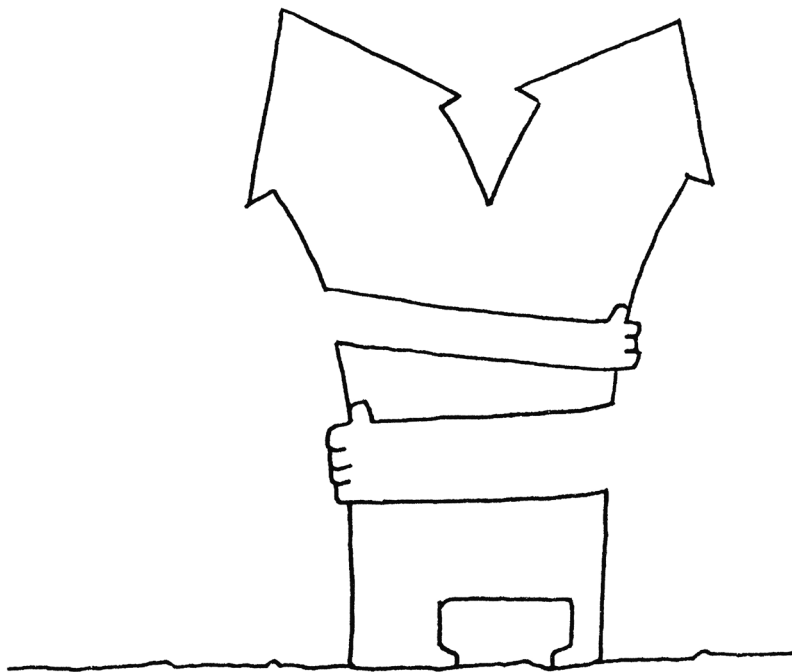

skeleča šola

ko mi ni lahko
se gotovo učim
nečesa pomembnega zelo

svobodna izbira

prvi vleče
drugi noče popustiti
težko je tu
na sredo priti
